

# HOW WE WORK

## UFF Senate

**UFF Senate is our official democratic governing body. For every 25 members, each chapter's membership elects a UFF Senator (with no chapter having fewer than two Senators)**

The full UFF Senate meets twice per year, during which UFF's statewide Officers, Steering Committee, Bargaining Councils, and Senators work together to lead UFF by supporting the goals and actions of our members. The Senate's most important duties include approving the budget and setting statewide policy.

**College, University, GAU and Independent Bargaining Councils**

## UFF Steering Committee

**The UFF Steering Committee** is made up of the President, Vice President, Bargaining Council Chairs, UFF Delegates to the FEA and Statewide Committee Chairs. They deliberate on matters between Senate meetings and bring recommendations to the Senate.

**UFF Officers**

**Statewide Committee Chairs**

**College, University, GAU and Independent Bargaining Council Chairs**

## Council of Presidents

Made up of the Presidents from each of UFF's chapters.

## Statewide Committees

In addition to ad hoc committees as the need arises, any member can join a standing committee: Government Relations; Membership; Leadership, Equity, Diversity and Inclusion; Contract Enforcement; and Credentials and Elections.

**UFF Chapters** Members elect each chapter's leadership democratically; chapters retain autonomy.

**UFF members**
