As a payment option, **Florida Education Association** offers payees the opportunity to receive future payments electronically, rather than by check. Your payments will be deposited into the checking account of your choice. In addition to having the money deposited electronically, you will also be notified of the deposit by mail. The mailed notice will provide you with all the information that would normally be on your check stub. To receive payments electronically, you must print, complete this form, attach a voided check and return both.
