ELECTION DAY IS TUESDAY, NOVEMBER 5

CHECK YOUR STATUS

Florida's election laws have changed! So it is extremely important to check your:

Voter Registration Status

Over a million Floridians were removed from the voter rolls before the 2024 primary election! Ensure your voter registration status is "active" before the **October 7** General Election Voter Registration Deadline.

To check your status, visit the <u>Florida Online Voter Registration</u> <u>System</u>. If your voter status is "active," you are all set to vote; if not, contact your local Supervisor of Elections to find out what you need to move your registration status to "active."

Vote-by-mail ballot (VBM) request

Florida voters who want to receive VBM ballots must now submit a request for each election cycle. If you had previously elected to have a VBM sent to you, those requests are no longer valid.

To request a VBM, reach out to your local Supervisor of Elections office. Typically, you can request a VBM via the Supervisor of Elections website, by phone, in person, or by mailing a <u>Statewide Vote-by-Mail</u> <u>Ballot Request form</u> to the Supervisor's office.

MAKE A PLAN TO VOTE

There are three ways to vote in Florida: by mail, during early voting, or in person on Election Day.

Vote-by-Mail

Vote-by-mail ballots will be sent out to those who have requested them beginning on October 3. Voters can continue to request a vote-by-mail ballot until October 24.

Once you receive your ballot, be sure to return it as soon as possible. To ensure your ballot arrives in time, we recommend that you drop your completed ballot off at your local supervisor of elections office or in a designated drop box after Tuesday, October 22.

Early Voting

This year the mandatory Early Voting days are October 26 to November 2. However, each Supervisor of Elections office has the option to open Early Voting from October 21 to October 25 as well as November 3. To find out when Early Voting starts and where your early voting polling locations are, visit your Supervisor of Elections website.

On Election Day

Election Day is **November 5**! The polls are open on Election Day from 7 am until 7 pm. Any voters waiting in line at 7 pm will have the opportunity to cast a ballot. Check your Supervisor of Elections website for your polling location!

FIND YOUR SUPERVISOR OF ELECTION

To get more information about Elections in your County, visit your county's Supervisor of Elections website. There you can register for a vote-by-mail (VBM) ballot, check your VBM status, find early voting sites and hours of operations, as well as finding your precinct.

UNITED STATES SENATE

The United States Senate is a legislative chamber in the bicameral (two houses) legislature of the United States, and together with the House of Representatives makes up the United States Congress. Each state, regardless of population, is represented by two senators, who serve staggered six-year terms. A senator must be at least 30 years old, a U.S. citizen for at least 9 years, and a resident of the state he or she represents. The Senate has several "advice and consent powers" not granted to the House, including consenting to treaties as a precondition to ratification; consenting to or confirming appointments of Cabinet secretaries, federal judges, military officers, regulatory officials, ambassadors, and other federal uniformed officers; and conducting trials of federal officials impeached by the House.

US HOUSE OF REPRESENTATIVES

The lower chamber of the United States Congress. Members of the House serve a fixed term of two years. The House is composed of representatives who sit in single-member congressional districts allocated to each state on the basis of population as measured by the United States Census, with each district having one representative, provided that each state is entitled to at least one representative. Congress regularly increased the size of the House to account for population growth until it fixed the number of voting House members at 435 in 1911. Each representative must be at least twenty-five years old, have been a citizen of the United States for the past seven years, and be an inhabitant of the state they represent.

DID YOU KNOW?

In 1845, Congress decided that Election Day would be the first Tuesday after the first Monday in November. This date was chosen because it was after the fall harvest and before winter conditions made travel too difficult.

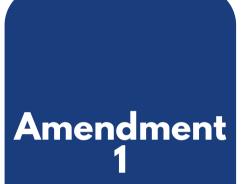

Before 1804, whoever received the second most votes was named Vice President. The passage of the 12th Amendment changed this, but it wasn't until Abraham Lincoln in 1864 that the idea of running mates came about.

PROPOSED AMENDMENTS TO FLORIDA'S CONSTITUTION

In Florida, a ballot amendment can be placed on the ballot by the State Legislature, citizen petition, or the Florida Constitution Revision Commission (which only convenes every 20 years).

A supermajority of voters (60%) must vote yes to pass a ballot amendment successfully. Following the passage of a ballot amendment, the Florida Legislature can pass laws implementing the ballot measure in the state.

Partisan School Board Elections

Amendment Summary

Amendment 1 was placed on the ballot by the Florida Legislature in the 2024 Legislative Session. The amendment would change how Florida's School Board Elections are held by making them partisan, beginning with the 2026 election.

The Florida Constitution currently requires school board elections to be nonpartisan; this has been the case since Florida voters approved Amendment 11 in 1998, which prohibited party labels in school board elections.

A <u>YES</u> vote would...

• require candidates for the school board to be elected in a partisan primary before moving on to the general election, where they would be required to have partisan labels, such as Democrat and Republican.

A <u>NO</u> vote would...

• keep the status quo, school board elections would remain nonpartisan

FEA recommends **voting no** on Amendment 1.

Constitutional Right to Hunt and Fish

Amendment Summary

Amendment 2 was placed on the ballot by the Florida Legislature during the 2024 Legislative session. The measure would create a state constitutionally protected right to hunt and fish and declare that hunting and fishing are the preferred means of managing and controlling fish and wildlife.

A <u>YES</u> vote would...

• establish a constitutional right to hunt and fish

A <u>NO</u> vote would...

• not establish a constitutional right to hunt and fish

PROPOSED AMENDMENTS TO FLORIDA'S CONSTITUTION

Amendment Summary

This amendment would legalize recreational marijuana for adults 21 years old and older; individuals would be allowed to possess up to three ounces of marijuana with up to five grams in the form of a concentrate. Additionally, the amendment would allow current Medical Marijuana Treatment Centers to sell marijuana to adults for personal use.

Amendment 3 was placed on the 2024 ballot through a citizen petition process. Over 800,000 Floridians signed petitions to get it on the ballot.

A <u>YES</u> vote would...

- legalize recreational marijuana use for adults 21 or older
- allow the state legislature to set rules and regulations about the use of recreational marijuana

A <u>NO</u> vote would...

• keep the status quo, this would not cause any changes to the current medical marijuana law

To learn more about the amendment, you can visit SmartandSafeFlorida.com or no-on3.com.

Amendment Summary

This ballot initiative seeks to provide a constitutional right to abortion before viability or when necessary to protect the patient's health, as determined by their healthcare provider.

Amendment 4 was placed on the 2024 ballot through a citizen petition process. Nearly 900,000 Floridians signed petitions to get it on the ballot.

A <u>YES</u> vote would...

- stop the state legislature from passing any laws that would prohibit, penalize, or restrict access to abortion in the state of Florida
- not change current laws surrounding parent notification for abortion care for minors

A <u>NO</u> vote would...

• make no changes to current state laws

PROPOSED AMENDMENTS TO FLORIDA'S CONSTITUTION

Annual Inflation Adjustment for Homestead Property Tax Exemption

Amendment 6

Repeal of Public Campaign Financing

Amendment Summary

Amendment 5 would provide an annual inflation adjustment to the value of the homestead exemption that applies to non-school taxes. The adjustment amount would be based on the percent change in the Consumer Price Index (if the change is positive) each year on January 1. Currently, Florida's homestead exemption is \$25,000.

Amendment 5 was placed on the ballot by the Florida Legislature during the 2024 Legislative session.

A <u>YES</u> vote would...

• allow for the value of the homestead exemption to be adjusted based on inflation

A <u>NO</u> vote would...

• keep the status quo.

Amendment Summary

This amendment would repeal the current constitutional provision allowing statewide candidates who meet specific criteria to receive public funding for their campaigns. Currently, only candidates running for the offices of Governor or elected Cabinet positions are eligible to receive public campaign finances; to receive public funds, these candidates must agree to expenditure limits, raise a certain amount of money, and limit loans from personal funds.

Amendment 6 was placed on the ballot by the Florida Legislature during the 2024 Legislative session.

A <u>YES</u> vote would...

• repeal public campaign financing

A <u>NO</u> vote would...

• allow for public campaign financing to continue in Florida
